

# SPEEDWRAP®

The Largest Line of Industrial-Grade Reusable Fasteners

## SPEEDWRAP® Brand Fasteners

### SPEEDWRAP® Ties

Widest Selection of Industrial-Grade Hook and Loop Ties

**Cable Tie:**  
The industrial-grade hook and loop cable tie

**Low Profile Cable Tie:** Thinner, more flexible

**Fire Retardant Cable Tie:** Meets the criteria of UL94-V2 standards

**Writable Surface Tie:** Personalized identification

**Wire Wrap:** Smaller head, no 'cinch slot', lower price

**Straight Strip:** Industrial-strength, pre-cut tie

### SPEEDWRAP® Cinch Straps

Tighter Bundles, Quality Construction

**Cinch Strap:** Quality construction, large bundle fastening

**Heavy Duty Cinch Strap:** Features a metal ring for added strength

**High Temp Cinch Strap:** For high temperature applications, meets UL94-V0 standards

**Super Duty Cinch Strap:** Extreme engagement of the hook and loop closure

**Any Length Cinch Strap:** Accommodates a wider range of bundle diameters

**All Weather Cinch Strap:** Mildew and UV resistant for outdoor applications

### SPEEDWRAP® Rolls, Reels & Tape

The Highest Quality Cut-to-Length, Back-to-Back, Hook and Loop Tapes on the Market

**Rolls:** Convenient size industrial-grade hook and loop tape

**Low Profile Rolls:** Thinner, more flexible

**Fire Retardant Rolls:** Meets the criteria of UL94-V2 standards

**Reels:** Longer, cut-to-length linear tape

**Low Profile Reels:** Thinner, more flexible

**Fire Retardant Reels:** Meets the criteria of UL94-V2 standards
