

SPEEDWRAP® Tie Mounts™

FEATURES

SPEEDWRAP® Tie Mount fasteners feature both screw holes and pressure sensitive adhesive (also called “sticky back”) allowing users to either screw, nail or adhesively mount the tie down to a wall or surface.

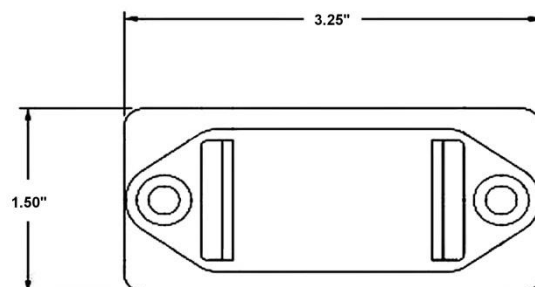

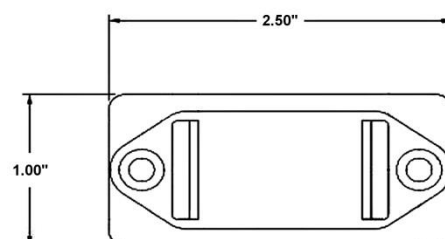

DESIGN CONSIDERATIONS

Speedtech’s line of **SPEEDWRAP® Tie Mount** Fasteners enables users to screw or adhesively mount SPEEDWRAP® and VELCRO® brand straps to almost any surface.

SPECIFICATION

- The screw and nail holes are designed for 1/4” screws
- The sticky back is a general-purpose pressure sensitive adhesive that holds well with most surfaces
- Available in two sizes (body widths from 1/2” to 1”) the new line of **SPEEDWRAP® Tie Mounts** are black and are sold 100 per bag.
